TO TRANSCEND THE LIMITS IMPOSED UPON THE MIND
IS TO SEE THE WORLD THROUGH A NEW SET OF EYES
EVERY IMPEDIMENT THAT STANDS BETWEEN THE
MANIFESTATION OF ONE'S TRUE CALLING FALLING AWAY
MUCH LIKE LEAVES FROM THE BRANCH OF A TREE
THE UNRELENTING DESIRE TO CREATE SOMETHING OF
SUBSTANCE OVERRIDING THE NATURAL DESIRE FOR
MATERIAL COMFORT AND A FALSE SENSE OF SECURITY
THAT ACCOMPANIES DECISIONS OF A MATERIALISTIC
NATURE, TO TOUCH UPON REALMS OF AN IMMATERIAL
COMPOSITION ONE'S THOUGHTS NEED TO ATTUNE
THEMSELVES TO A VIBRATIONAL SHIFT IN FREQUENCY
TO EXPERIENCE THE ENERGETIC STATES OF BEING
THAT EXIST BEYOND THE PHYSICAL PLANE OF EARTH
WITHOUT A CONSCIOUS EFFORT TO REFINE THOUGHT
THROUGH A CONCENTRATION OF MENTAL FOCUS
PROGRESS TOWARDS THE ETHERIC REALMS OF LIGHT
WILL NATURALLY SLOW THEIR PACE IN LINE WITH
THE DEVELOPMENT OF EACH INDIVIDUAL SOUL
